Dear, Gebhard Family,

My shooting career started on July 1st 2018, when I attended my first registered shoot in Brandon Manitoba, which happened to be the Canadian shoot. Ever since that moment I was hooked, since then I have shot at 70 registered shoots and have met alot of helpful people along the way to make me a better shooter.

This year was a little different because of Covid. We still had a provincial shoot in 3 different cities, and the scores were sent to Regina where they could be fulfilled, I hadn't shot at all this year, except for provincial in the end of September. I was grateful to still win all the Junior events.

In years past going to the provincials I remember seeing other kids win the Damian Gebhard award and wondering how I could win it. This year I am very thankful and honored to have won this award. Thank you for providing me with this opportunity.

Sincerely,

Sam Meek
